“What inspires MENA Rosa to be on board of the Learning Hub is its utmost belief in community leadership, particularly women leadership. Our partnership with MENAHRA will serve to prioritize the learning needs of women in their diversity.”

Our goal is built with time.
Rita Wahab, MENA Rosa Regional Coordinator.

“I am delighted with the launching of the new shape of the MENA Learning Hub Newsletter. I hope it will be a good tool to exchange information, build knowledge, and strengthen networking amongst the different civil society and community-led organizations and players in the MENA region. We, as MENAHRA and MENA Rosa, taking over the coordination of the MENA Learning Hub, would like first to thank ITPC MENA for their efforts during the previous phase. We also promise our colleagues and partners to expand and strengthen our partnership in the fight to end HIV, TB, and Malaria and to meet the SDGs.”

Elie Aaraj,
MENAHRA Executive Director.
